

[The Hill](#) [has an article today](#) about the defense authorization bill and the earmarks contained therein. Congressman Pence is quoted in that article as well:

*Rep. Mike Pence (R-Ind.), a proponent of greater earmark reform, said Republicans deserve scrutiny on the issue.*

**“The Democratic Party in Congress is staking out the pro-earmark position,” he said. “The only question today is whether Republicans in Congress will stake out the anti-earmark position**
